PUBLIC RELATIONS Knowledge of accepted public relations practices in order to interact with other agencies, and the public, the media, and with the public in various situations including fire prevention activities.	6.0%
FIRE SERVICE MANAGEMENT Knowledge of the principles of fire service management, including performing duties requiring interpretation of laws and policy and planning operations to handle fire prevention problems or enhance division programs.	5.0%

REFERENCE LIST

While the entire list of reference material will be useful to you in your preparation for the upcoming examination, the **majority** of test questions are sourced from those references listed under the Primary List.

PRIMARY REFERENCE LIST

The local civil service board should make this study guide available to all applicants in whatever manner the board deems appropriate.

While there are no provisions requiring this office to provide study guides for any competitive or promotional examinations, such material will be provided as a service to assist applicants in preparing for an examination. The State Examiner's office has no control whatsoever over the local availability of reference material (mentioned in the study guides), nor do we feel constrained to limit examination questions to only that material which is available locally. Examination content, weighting of subject areas, and length of examination, may vary with each administration of an examination to reflect any updated job analysis information. Percentages and numerical estimations are provided as approximations.
